Vaccination is the best way to protect yourself, your family, and your community against COVID-19. Vaccines are effective in preventing severe illness, hospitalization, and death; they also help reduce the spread of the virus in our community.

The Health District is providing COVID-19 vaccine clinics Monday through Thursday from 8:30 am to 11:30 am and 1:00 pm to 4:00 pm. **You must schedule an appointment**. Please call for an appointment at (928) 317-4550.

NOTE: The Yuma County Public Health Services District is now offering the Pfizer COVID-19 Vaccine, authorized for children and adolescents ages 5-11.

The Moderna vaccine currently can be given to anyone age 18 and over. More information can be found on the [CDC's website](#).

The Pfizer vaccine currently can be given to anyone age 5 and over. More information can be found on the [CDC's website](#)

For more information about what you will need to bring with you to your appointment, please visit the [Health District's Immunization Program](#) page or call (928) 317-4550.

Due to overwhelming demand for both initial vaccine and booster appointments, the Yuma County Public Health District **is no longer taking walk-ins** and are asking the public to call (928) 317-4550 to make an appointment.

COVID-19 Booster Update:
